10/1/19 4:08:19 PM EDT

Not sure did you get my last text?

10/2/19 11:09:53 AM EDT

I wanted to see if we could talk to work something out. Where you're happy and we can get our money so we do not have to go to court! Please let me know.

10/2/19 11:13:41 AM EDT

I am just looking for a little break. That would make me really happy! I think it will make you happy too. Please!

10/2/19 2:15:07 PM EDT

Teresa, how about if I give you \$65,000? You agreed to 50,000 last year at this time. I really need you to get something back. Think about The 35 years we had together. Please let me know. Don't make me beg you anymore. I'm not getting very much from the sale of the property. Please Teresa!

10/4/19 10:46:55 AM EDT

Is there any reason why you're not responding to any of my text messages? Would you please take the \$65,000 I don't know why you would not be happy with the \$65,000. We could call the magistrate and let her know we settled! Please don't keep me waiting, Just let me know

10/10/19 10:14:44 AM EDT

Do you have any clue what it's like waking up every day for the last nine years thinking about what you have done? Thinking about how much money you have cost me. Knowing you have not honored any of your agreement. The One that irritates me the most, you trying to convince yourself you have done nothing wrong. When we left the court room the last time and I explained to you that I was only going to get about \$28,000 from all the hard work I did for the last 35 years, Your reply was, it's not my fault you have all those bills! We both know it was clearly your fault!!! It started out, you did not stick to our original agreement, and you added \$50,000 to the divorce agreement.

10/10/19 10:16:31 AM EDT

(2) You did not sign the quit claim deed to the house like you were court ordered to do. (3) you Would not sign the permission slip so I could pay off your \$70,000 loan! (4) You would not sign a piece of paper showing what I owe you on Ryans building! (5) When I got a loan through prime lending to try to pay you off. You backed out of our \$50,000 agreement. You said you would sign the mortgage release if I paid you \$24,000 more (6) you would not sign the mortgage release for the loan I got from Buckeye Bank to pay you off! (7) you guys added an extra \$14,000 to the divorce decree for some hospital bills I never saw! (8) I paid over \$15,000 for health insurance for you! You're the one that told me that you had health insurance and the money that I was paying every week was going towards what I owe you! So after reading all this, do you still think it wasn't your fault?

10/10/19 10:17:15 AM EDT

The good news is, if you do not remember all this stuff. I built a website which will show you everything that has happened through our entire divorce. You can see all of our text messaging, pictures, court documents, transcripts, emails, recordings, and even our agreements. You will be able to see everything from the day that you told me you wanted this divorce! You asked for this divorce and you are punishing me for something you wanted! The wave of destruction you have caused has cost me everything I worked for in the last 40 years and in addition to that, an emotional rollercoaster that always led to disappointment! My family suffered also! I'm finally telling my side of the story, I built a website stating the facts, & You will clearly see the damage you've brought when you see this websiteK and so will everyone else!

10/14/19 9:23:44 AM EDT

I am in Akron today, can we talk?

10/17/19 11:47:11 AM EDT

I wanted to let you know, the sale of the building is closed tomorrow. If you add up you're part of the bills we had before our divorce (I paid) and all the money I paid you including the \$50,000 and cheated me out of. You received \$419,000 out of our property. I received a little over 39,000 not counting all the stress and aggravation. With all the things that happened through our our divorce, do you think you could help me out a little bit? It would make me really happy and we both can move on. Last thing, all the things you did and did not do through the divorce, remember anytime you called me or needed something I was still there for you!!Could you please just let me know, yes or no. Please! 🙏

10/17/19 12:22:18 PM EDT

Teresa, I thought our court hearing was on Monday. I just realized it's next month. I have things I need to pay, I can't wait that long. Can you please give me a call

Can you please talk? Please don't make me beg! Just tell me yes or no

Would you take \$70,000 we could call the magistrate tomorrow and let her know we have a deal and you can get your money tomorrow. Please do this for me.

10/17/19 3:30:08 PM EDT

Think about it could be over tomorrow! Teresa please, I need you to do this for me. If I don't get my money I'm gonna be in big trouble. I wish you could find it in your heart to do this for me. Try to think of all the things we had together.

10/17/19 5:23:16 PM EDT

OK, I will pay you the 79,300 if we can call magistrate tomorrow and let her know we have a deal. I will have you completely pay off in full.

The IRS froze my account, I have no money. They shut the water off today and They are threatening to turn the gas off on Monday. Why does it always feel like I'm being punished because you filed for divorce! Please let me know!

10/18/19 1:27:22 PM EDT

I am willing to pay you completely off. \$79,300 it's exactly what I/O you. You should be happy with that. Why do you want to keep dragging this on? You keep saying you want to move on with your life. Please let me know

10/19/19 11:27:59 AM EDT

Good morning, can I call you? no arguments, no fighting just talk.

10/19/19 12:33:43 PM EDT

You ever notice, you will talk to me when I'm trying to get the money to pay you off. When it gets close to paying you off, you quit talking to me. You know All we have to do is talk to the magistrate and there is a \$79,300 check waiting for you. You think you would be happy and want to get this over with. Is there a reason why do you want to drag this on??? You have no clue how hard it was for me to sign my buildings away! Maybe you forgot all the things I have been through since the divorce. Please don't make me beg anymore. Just want to have a nice weekend and not worry!

10/19/19 1:26:07 PM EDT

Have a good weekend..Its all going to work out..

10/19/19 1:37:39 PM EDT

Really? That make me really happy!!! 😂 Just wondering, does this mean we can call the magistrate on Monday? Please!

10/19/19 3:03:32 PM EDT

My weekend would be really wonderful, if you could let me know if we could talk to the magistrate on Monday. But before we do, we can call Mary at the title company, she will let you know there is a check waiting for you for \$79,300 you can pick up on Monday. Can you please let me know! Thanks

I always try to take care of you. Even through our divorce I was still there for you. You Had to see, every time you ask I always tried my best to do it. So please meet today so we can do this. I drove all the way down here hoping that you would change your mind. I brought the paper to show you that the IRS froze my account. Hi, I'm across the street from your work. Could you ask your boss if you have 5 to 10 minutes and will call real quick? Please could you let me know

10/21/19 12:06:09 PM EDT

If you would like, I could come over and ask him. It might make it easier

10/21/19 12:07:18 PM EDT

Maybe when you get back I'm OK

10/21/19 12:47:30 PM EDT

Hey I was thinking, I come up with a great idea, I know you probably do not want to ask your boss if you can make a five-minute phone call. We can Call the magistrate right after you get off work. We have to talk to the magistrate on the phone together. She is now A loud to talk to Just one of us. Title company is not allowed to give either one of us any money until the judge knows we have an agreement.

10/21/19 1:46:57 PM EDT

With the mortgages you can not just change them and add money to them. They have to be re-filed

10/21/19 1:47:33 PM EDT

Did you call down to the courthouse or call her private number?

10/21/19 1:48:21 PM EDT

Because she said last time if we were on three-way she could talk to us

10/21/19 1:49:38 PM EDT

I only have court phone number..

10/21/19 1:52:47 PM EDT

I thought she gave you her private number because she was going to vacation

10/21/19 1:56:55 PM EDT

Do you want me to call the Court to see if The magistrate will talk to both of us same time

10/21/19 3:59:33 PM EDT

I talked with the court they said if we both go down there there's a chance that she will talk to us. Wanted to see if you would like to do that. If so they want me to call him tomorrow. Please let me know

10/21/19 4:01:40 PM EDT

I cant today. Maybe tomorrow after work.

10/21/19 4:17:02 PM EDT
