Sorry I was in bed at 5 30 yesterday. Give me a couple of days I work everyday this week ..

Thank you so much for getting back with me!! If its possible, you could call your attorney and ask her if the papers look OK. Maybe on your lunch break you could run downtown and sign. This way you could talk to them and they would answer all your questions if you had some. There across the street from GoJo 530 S Main St 1031 - talk with Christine 330-436-6097 I told her you might come down, So she is expecting you! Please, could you do it Soon as possible. Please let me know. Thank you!!!

I'm done, I'm not going to beg you anymore. I'm hoping someday you can find happiness.

I will talk to you tomorrow

Text Message

It has been 13 days since I started asking you about signing. Please can we talk today, even if its later tonight. Its very important!!

why are you stalling. It's either you're gonna sign the papers or you're not. And that crap that you can't talk because he's coming over. We both know you don't give a shit if he's there or not you can still talk to me. It's so sad that you keep doing it to me. You know how bad it bothers me and you really don't care. It's funny how angry you got at when she did it to you. And it's not even close to what you're doing to me right now. But it's OK when you do it to someone.

Wed, Aug 15, 9:38 PM

I never gave you any reason to get your lawyer involved. I thought you'd be happy to get \$50,000 and you could move on with your life. I also asked you to time how much money would it take to sign the papers. You waited all the way till gotten to closing to do this. It's not about the money with you, you don't want to MoveOn. So you make me pay to play with that

Thu, Aug 16, 12:26 PM

[1] January 1, 2009 thru July 31, 2011  
I Paid You \$610.00 week for 134 weeks = \$81,740

[2] August 5, 2011 to October 6, 2017  
I Paid You \$600.00 a week for 322 weeks = \$193,200 [A] Plus 322 weeks, x \$50.00 = \$16,100  
Insurant

Total I Paid You So Far: \$274,940 toward Our Contracted, +\$25,000 Up Front and \$16,100 for your Health Insurance.

[3] I still owe you from October 6, 2017 to December 28, 2018  
Its \$600.00 a week for 64 weeks = \$38,400 if I paid you \$53,000 settlement, that would be \$14,600 extra. Take the \$14,600 away from the \$25,000 I would still owe you \$10,400 - \$1,350 = \$9,050

I Pay You \$53,000  
-\$38,400  
-----  
=\$14,600  
\$25,000 I owe you  
-\$14,600  
-----  
\$9,050

Why are you telling me that you're gonna let me know today? You're telling Christine that your attorney is out of town. Why can't you make up your own mind? Does it bother you at all you promised me you would take the settlement? Why would you wait until we went into closing to do this? We both know what your attorney going to say, don't settle into you all the money. You have to know in your heart I do not OU all that money! Please tell me today what would make you happy? Do you really like upsetting me that much? Or you just don't want to let go? You told me several times how you have changed and you are into god now. You know in two days we would have been together 41 years. Can you remember in those years one time I trying to make your life Miserable???

I spoke to Christina we will know something hopefully Thursday
